

Great News !

It won't cost you \$3 million like it does at U of T. Would you believe \$125? As the Zen Centre races towards the finish line, we find ourselves in need of chairs, 40 dining room chairs, to be exact. Not to mention 5 dining tables, roofing tile, stucco, cabinetry, a wheelbarrow, window blinds, a new shed door, garden benches, sofa cushions, a wireless doorbell and more. Everything you'd like to have to make our temple and grounds look their best for our Dedication and Grand Opening in October.

So have some fun and choose something to fund. Whatever your price range, you'll find some way to help furnish the Zen Centre, finish the renovation, and be part of this great project.
